CABIN AND LAVATORY PRODUCTS

Cee-Bee® has developed a complete range of products that are designed to efficiently and effectively clean aircraft interiors. The interior cleaning lineup includes upholstery, tray table, window and mirror, carpet, galley, lavatory, and general surface cleaners.

Honey Bee™ toilet system cleaners are the most effective in the industry in removing scale and organic deposits in both vacuum and recirculating systems. Cee-Bee® cabin cleaners, deodorizers and fresheners are top-performing, cost-effective products available in a variety of formats to meet your needs. Cee-Bee® cabin and lavatory products conform to the requirements of original equipment manufacturers (OEM's), the Military, and Aerospace Materials Specifications (AMS) documents.
