EXTERIOR AIRCRAFT CLEANERS

Cee-Bee® has developed a complete range of exterior aircraft cleaners. Our products are designed to efficiently and effectively clean aircrafts. Our exterior cleaners conform to the requirements of original equipment manufacturers (OEM's), the Military, and Aerospace Materials Specifications (AMS) documents.

EXTERIOR AIRCRAFT CLEANERS

EXTERIOR CLEANERS

Astromat Orange

Astromat Orange is a viscous, non-petroleum, solvent-based cleaner, to be used on painted and unpainted surfaces. Astromat Orange is designed for use as received for routine cleaning or degreasing of reciprocating-type engines prior to maintenance/repair, and for large structures or difficult-to-reach areas on aircraft, such as wheel wells and flaps, where the increased contact time may be substituted for scrubbing.

AMS / Boeing / Douglas / Embraer / Grumman
